

It's our nature to CARE, CREATE, DISCOVER, EXPLORE, GROW, INVESTIGATE, LEARN, PLAY, and EXCEL. Outdoor Education Program activities and lessons require a change of clothing or additional clothing at times. All students are required to keep outdoor gear at school throughout the school year to insure their ability to participate. Students without proper gear will not be permitted to participate. Keep in mind the items you choose to stock your child's outdoor gear bag may get dirty and wet. Dress your child appropriate for the weather each day. This will allow us to move outside more often without the need to change clothes maximizing our learning opportunities. Thank you in advance for your cooperation.
