Dear Sir or Madam:

In 1908, the Sisters of St. Francis began teaching at Stella Niagara in Lewiston, NY with the commitment to the belief that every child is entitled to a quality education. For over 115 years, we have continued that tradition and our annual Key Event allows us to provide tuition assistance and scholarships to children from Niagara and Erie County so that a quality, Catholic education is in reach to interested families.

We are excited to hold this year's Key Event in the village of Lewiston at the Brickyard Brewing Company on Saturday, March 2nd. The theme for this year's event is "Keys to Tomorrow: Honoring the Past, Inspiring the Future" as we pay tribute to the twelve decades that SNEP has been dedicated to educating the children in our community while paving the way for the decades to come! The evening will feature music, food stations, open bar and a variety of auctions. We are asking for your support to make the evening a success by providing an auction donation, sponsorship or monetary contribution.

Your support is a great way to show community support and leadership, while providing the school with a generous gift that will greatly benefit the students. Please take a moment to fill out the attached response form if you are able to support our event, any donation is truly appreciated. We realize that many businesses are facing difficult choices so while we are asking for your support, if you cannot at this time, please know that we understand and that you remain in our prayers.

At SNEP, 85% of our students receive financial assistance which is why our Key Event is an essential component to the schools fundraising efforts. Teachers, staff, and parents all play a critical role in the education of our children, but ***your gift to Stella Niagara's Key Event will be the key to our success!***

Sincerely,

Amy Reynolds, class of 1984  
Director of Institutional Advancement
