A big THANK YOU to all that helped make the 2018 Key Event a wonderful evening! If you donated an item, assisted in the planning and preparation, or attended the event, you were an important part of the event's success. I will give a more detailed report when all the numbers are in. I want to express my gratitude to everyone who supported the Key Event. You are amazing and I am excited to be part of the future of Stella Niagara Education Park! ~ Amy Reynolds

By purchasing uniforms from Flynn & O'Hara the school receives an annual commission as part of their School Rebate Program.

Thank you for supporting SNEP in this way!

Time to strike up the fun!

The annual Boys Bowling will take place on Friday, March 16.

Please contact Lisa Trapasso if you have any questions.

Nature Day Service Project - Tee-Bags!

We need your unwanted t-shirts! On Nature Day 2018, SNEP will kick-off a service project to help those in need and also spread the message about protecting our environment from plastic pollution. Our students and teachers will make reusable shopping bags from t-shirts and donate them to Community Missions of Niagara Frontier and Care-n-Share Food Pantry and Clothing Distribution Center in Ransomville.

A collection box for clean, **gently - USED**, big kid through adult sized t-shirts is located on the 2nd floor near the center staircase. Drop-off t-shirts between March 1st and April 20th.

THANK YOU for helping SNEP make a difference!
