Wishing you all the best in high school, and beyond!

We will miss you!

If you would like to order your school supplies through 1st Day School Supplies they will be individually boxed and delivered to your child's classroom before the first day of school. Each box comes with preprinted labels for your child to label their supplies.

If you would like to take advantage of this option please follow this link: <https://bit.ly/2SFsJz5>. All online orders must be submitted before **July 1st**. There are a few items on each list that are optional (such as headphones and calculators) as you may have them from last year. Also, there are items for each grade level that cannot be purchased through this service (such as outdoor education supplies) which will be on your child's student supply list and should be sent in from home.

Medication at school

Medication that has been left in school, will be sent home on the last day of school (June 23 for grades 1-7). If your child(ren) will not be here the last day, please contact the school office and we will make sure it is sent home prior. As a reminder, a new letter from the pediatrician's office with dispensing instructions, and new medication, will need to be brought to school on the first day in September.

SPP Meeting

Calling all Stella Niagara parents and loved ones! We are hoping to bring back the fabulous Stella Parent Partnership (SPP) family events next year and want your input! We will be holding a meeting in the children's dining room on **Tuesday, June 22 at 8:00 am**. We will take a look at our past events and see if they are viable for the future. All are welcome! If you cannot attend, but would like to discuss plans for next year, please call Nina Sweet (716) 345-0692 or Kate Cumbo (716) 912-4224. We look forward to seeing you!

Please don't forget to notify the school if you have had a change in address, phone number or email. Also, if you do not have access to your work email address over the summer, please provide us with an alternative one so we may reach you with important information. Thank you!
