Trey Dubuc

Gary Hall

Caden Koepcke

Ella Kutis

Anna Lauger

Adam McNab

Luke Montibello

Francis Murphy

Cameron Panepinto

Giuliana Slepian

William Wagner

Caleb Walker

Wishing you all the best in High School and beyond. We will miss you!

Uniform Exchange

Our campus store has gently used uniforms in all sizes. Before you buy, stop in and take a look. Call the school office to arrange a time to “shop”.

If your student has grown out of their current uniform, please consider donating their gently used items to the exchange. Please only send in uniforms (including the white polo shirts), that are in good condition without stains or tears.

Medication in school

Medication that has been left in school, will be sent home on the last day of school (June 17 for grades 1-7). If you child(ren) will not be here on the last day, please have them stop in the health clinic and pick it up. As a reminder, a new letter from the pediatrician’s office with dispensing instructions, and new medication, will need to be brought to the health clinic on the first day of school in September.

Summer physicals and immunizations

All new students to the school will need their immunization record and current physical faxed into the school office before the start of school.

If any returning students have immunizations or physicals over the summer, please have your pediatrician’s office fax it into the school office.

Please don’t forget to notify the school if you had a change in address, phone number or email. Also, if you do not have access to your work email address over the summer, please provide us with an alternative one so we may reach you with important information. Thank you!

Make A Difference

Thank you so much to all the volunteers who helped out this past school year.

To the SPP and parent volunteers for sponsoring many fun events and for bringing back the Snowflake Shoppe!

To the library volunteers, your help is priceless!

To all the coaches who provided our students with an opportunity to play organized sports after a two-year absence. Win or lose, it didn't matter, they all had fun and appreciated being able to participate and learn. Thank you for your dedication!

Soccer News

Our very own Mites went undefeated this season! Congratulations to the Mites and Coach Victor Sears!

Thanks so much Coach Bill Boyle, Coach Victor Sears and Coach Nick Proenza for your dedication to our school.

**Please don't forget to return your library books
to the library ASAP!**
